Idea 20: An evil spirit, your beauty, haunts me still

By Michael Drayton

An evil spirit, your beauty, haunts me still,
Wherewith, alas, I have been long possess’d,
Which ceaseth not to tempt me to each ill,
Nor gives me once but one poor minute’s rest.
In me it speaks, whether I sleep or wake;
And when by means to drive it out I try,
With greater torments then it me doth take,
And tortures me in most extremity.
Before my face it lays down my despairs,
And hastes me on unto a sudden death;
Now tempting me to drown myself in tears,
And then in sighing to give up my breath.
Thus am I still provok’d to every evil
By this good-wicked spirit, sweet angel-devil.

Michael Drayton was one of the leading poets of the Elizabethan era. Though little is known about his early life, it is believed that he was a servant who rose to prominence through patronage. One of Drayton’s earliest supporters was Lucy, Countess of Bedford, and many of his poems are dedicated to her. A prolific poet, Drayton is best known for long verse-epics which recount historical events and exemplify Drayton’s belief in the poet’s responsibility as a keeper of public values.
