

B. H. Fairchild

B. H. Fairchild was born in Houston, Texas. Throughout high school and college he worked for his father, who was a lathe machinist. He received his BA from the University of Kansas and his PhD from the University of Tulsa. Many of his poems take place in the Midwest and contain a blue-collar sensibility. Fairchild's work has also been published in the *New Yorker*, the *Paris Review*, as well as numerous other publications.
